Law Clerk Comments

1. Under Appellate Rule 210(a) "[T]he record does not include documents or exhibits filed after, or electronic records or transcripts of proceedings occurring after, the filing date of the notice of appeal."  
Appeal was filed 1/21/20, and Appellee's Brief, (see footnote 3) refers to matters outside the record; Appellee's Excerpt contains documents that are not part of the record.
2. Appellee should verify that the Table of Authorities is accurate. For example, it does not include Japan Air Lines or Guerrero cited at pages 5 and 6; or Industrial Indemnity at page 6.
3. Appellee should verify that every statement is supported by a cite to the record or the law. For example, the first sentence and last paragraph on page 3; the last paragraph on page 7, most of page 11, the last paragraph on page 15.
